

1.8.3) ระบบ HIS รองรับการทำงานแบบ Low code/No Code

ระบบ HI ของโรงพยาบาลพิบูลฯ รองรับการทำงานแบบ Low Code / No Code ในเมนูการออกแบบใบรายงานต่างๆ ได้ตามที่คุณใช้งานต้องการ

The screenshot displays the 'ADMISSION NOTE' form in the HIS system. The form is titled 'ADMISSION NOTE' and includes sections for 'HISTORY', 'CHIEF COMPLAINT', 'PRESENT ILLNESS', 'PHYSICAL EXAM', and 'Vital Signs'. The 'Report Properties' dialog box is open, showing the 'Data Environment' tab. The dialog box has several tabs: 'Page Layout', 'Optional Bands', 'Data Grouping', 'Variables', 'Protection', and 'Ruler & Grid'. The 'Data Environment' tab is active, showing a preview of the report layout. The 'Report Properties' dialog box also includes a 'Print area' section with options for 'Printable page' and 'Whole page', and a 'Column print order' section with options for 'Top to bottom' and 'Left to right'. The 'Report Properties' dialog box also includes a 'Page Setup...' button and a 'Save printer environment' checkbox.

The screenshot displays the 'ADMISSION NOTE' form in the HIS system. The form is titled 'ADMISSION NOTE' and includes sections for 'HISTORY', 'CHIEF COMPLAINT', 'PRESENT ILLNESS', 'PHYSICAL EXAM', and 'Vital Signs'. The 'Field Properties' dialog box is open, showing the 'General' tab. The 'Field Properties' dialog box also includes a 'Style' tab, a 'Dynamics' tab, a 'Format' tab, a 'Print when' tab, a 'Calculate' tab, a 'Protection' tab, and an 'Advanced' tab. The 'Expression Builder' dialog box is also open, showing the 'Expression for Field on Report' section. The 'Expression Builder' dialog box includes a 'Functions' section with a list of functions and a 'Fields' section with a list of fields. The 'Expression Builder' dialog box also includes a 'Variables' section with a list of variables.
